Use of Oxalic Acid.

In using oxalic acid to remove any ink stains always follow with a few drops of javelle water, which counteracts and neutralizes the oxalic acid. Then rinse with boiling water to remove both of these chemicals so that the fiber will remain untouched.

A "Call."

"What have you got?" asked the parson of the chauffeur who rang his door-bell. "One pair," replied the chauffeur, beckoning to the eloping couple to come forward.—Boston Transcript.

Women That Men Like.

"What we men want for the most part," says Thackeray, "is a humble, flattering, smiling, child-loving, tea-making being who laughs at our jokes, however old they may be, coaxes and wheedles us in our humors and fondly lies to us through life. In other words, the more essentially feminine woman is, the more irresistibly does she appeal to and attract our sex."

Unknown Human Qualities.

Fortune, good or ill, as I take it, does not change men and women. It but develops their characters. As there are a thousand thoughts lying within a man that he does not know till he takes up the pen to write, so the heart is a secret to him (or her) who has it in his own breast.—Thackeray.

READY FOR THE TWENTY-ROUND GO TONIGHT

Everything is ready for the big 20-round fight which is to be staged at the alldome tonight by promoters Gus Rainier and George Quigley, and a large crowd of fight fans will undoubtedly find their way into the pavilion.

Betting in the main event which is to be a 20-round affair, favors Joe Welch to beat Johnny Dunn, but dope often goes wrong and the writer wouldn't be surprised if Dunn hangs a sleep producer on his tall, lanky opponent. Both contestants are determined to win so the spectators can depend on a good hard fight.

Walter McDevitt and Dick Trownee who are to box the 8-round semi-windup, are also both in fine trim and as both are working to get a main event on the coming show, this one fight alone should be worth the price of admission.

Harry Bucher and Young Ketchel will open the show with a four-round fight which should prove satisfactory to any one.

HAWTHORNE HOTEL SOLD

Alvey Miller has sold the Hawthorne hotel to Henry Baerlin, former commissioner of Esmeralda county, and one of the oldest residents of Mineral county. The house has between 30 and 40 rooms and is the best patronized hostelry between Tonopah and Reno. Mr. Miller took over the house in 1906 and has conducted it since. The location on the line of the state highway using the west bank of Walker Lake will make the house a favorite stopping place for the hundreds of tourists expected to use that line of travel.

The estate of the above company is in close proximity to the great

Simon Silver-Lead Mine

and embraces four full claims on the lime-rhyolite contact for a distance of nearly three thousand feet, which is the contact of the big Simon mine, and which is destined to eclipse anything ever opened up, not only in Southern Nevada, but in the silver-lead districts of the entire United States.

Procrastination is the thief of opportunity; it kept some people in our own midst from making a neat fortune in the big Tonopah-Divide mine. Are you going to let the opportunities now presented in the Simon District slip also?

DON'T DO IT

Buy a little Simon-Mina at 15 cents while it lasts. You cannot go wrong and it may make you a fortune. Today, stock in the big mine was \$5.75 bid. We believe it will command a price of \$10.00 within 30 days and Simon-Mina will more than double itself when called upon the San Francisco Exchange which will be at the earliest possible moment.

Call, phone or wire your orders to the company's office, No. 318 State Bank Building, Tonopah, Nevada.
